Christmas Eve Gathering!

December 24th @ 5 PM

Sometimes your life unfolds with paragraphs, pages, or entire chapters that aren't anything like the life you dreamed of but it can still be wonderful.

This Christmas Eve our worship gathering will include a gift exchange and a potluck dinner! The two things to bring along are a pair of **Christmas socks** to gift to someone, and a crock of your favorite **Christmas soup** for our potluck dinner afterwards.

Sharing Time: You are invited to be prepared to share a short story about about an experience of life NOT giving you what you expected, but it turned out to be wonderful.

Invite your friends, neighbors, and relatives! We won't put them on the spot. For those visitors who show up unprepared to participate in the sharing time, we will still have a way for them to receive a pair of Christmas socks.
